

## Horizons GX Cybersecurity Index ETF (HBUG)

The Horizons GX Cybersecurity Index ETF primarily held units of Exchange Traded Funds (“the underlying ETF funds”) for the period from July 1, 2022 to June 30, 2023. Unlike companies, exchange traded funds do not have annual shareholder meetings, but they may hold Unitholder meetings from time to time, at which unitholders of the underlying ETF funds are entitled to exercise voting rights. In the event any of underlying ETF funds issue a proxy form, Horizons ETFs Management (Canada) Inc. will exercise those voting rights in the best interests of Horizons GX Cybersecurity Index ETF. Furthermore, the manner in which the voting rights were exercised will be published on this page.

For the period from July 1, 2022 to June 30, 2023, there were no proxy voting records to present.

Commissions, management fees and expenses all may be associated with an investment in exchange traded products managed by Horizons ETFs Management (Canada) Inc. (the “Horizons Exchange Traded Products”). The Horizons Exchange Traded Products are not guaranteed, their value changes frequently and past performance may not be repeated. Certain Horizons Exchange Traded Products may have exposure to leveraged investment techniques that magnify gains and losses and which may result in greater volatility in value and could be subject to aggressive investment risk and price volatility risk. Such risks are described in the prospectus. The prospectus contains important detailed information about the ETF. Please read the relevant prospectus before investing. **Please read the relevant prospectus before investing.**
